June 1, 2022

Brand's limited-edition line with Reese Witherspoon sunsets with playful seasonal looks for the whole family

DODGEVILLE, Wis., June 01, 2022 (GLOBE NEWSWIRE) -- Lands' End (NASDAQ: LE), a classic American lifestyle brand known for high quality apparel for the whole family and the home, and Draper James, a brand founded by Reese Witherspoon and inspired by her Southern roots, today announce the fourth and final collection of their two-year partnership.

Building on the success of the collaboration's past several seasons, the latest line will pair Lands' End's classic silhouettes with Draper James' iconic gingham and floral prints across women's, men's and children's apparel and swimwear. In line with Lands' End's emphasis on celebrating *every body*, styles will be available in regular, petite, plus, big and tall, and extended children's sizes. Budget will also remain a key point of differentiation for the new line, with the entire collection priced from \$15.95-144.95.

"We're excited to announce our fourth and final collection with Lands' End for Summer 2022," said Reese Witherspoon. "With a focus on swim and apparel for the whole family, it's truly a lifestyle collection to outfit you wherever you may go. With size inclusivity and comfort top of mind, the fit, fabrics and beautiful prints will be a staple in your wardrobe this season."

Over the past two years, Lands' End's partnership with Draper James has released four collections, beginning with a women's swimwear capsule in March 2020. The partnership's success and customer demand quickly drove expansion, growing to offer selections in men's, kids, and home as well.

"Whether lounging beachside or on the tennis court, this summer's collaboration with Draper James is about marrying trending styles and prints with the 'comfort' that has become synonymous with Lands' End in recent years," said Chieh Tsai, executive vice president, chief product officer at Lands' End. "This collection puts a beautiful bow on a wonderful two-year partnership with Draper James, offering no shortage of the vibrant colors, flattering styles and whimsical, southern-inspired prints that shoppers have come to anticipate year after year."
